FINDING

There being a finding/verdict of **GUILTY**, defendant has been convicted as charged of the offense(s) of:
18 U.S.C. § 1349 CONSPIRACY TO COMMIT HEALTH CARE FRAUD as charged in the First Superseding Indictment.

**JUDGMENT
AND PROB/
COMM
ORDER**

The Court asked whether there was any reason why judgment should not be pronounced. Because no sufficient cause to the contrary was shown, or appeared to the Court, the Court adjudged the defendant guilty as charged and convicted and ordered that: Pursuant to the Sentencing Reform Act of 1984, it is the judgment of the Court that the defendant is hereby committed to the custody of the Bureau of Prisons to be imprisoned for a term of: **TEN (10) MONTHS.**

It is ordered that the defendant shall pay to the United States a special assessment of \$100, which is due immediately. Any unpaid balance shall be due during the period of imprisonment, at the rate of not less than \$25 per quarter, and pursuant to the Bureau of Prisons' Inmate Financial Responsibility Program.

Defendant shall pay restitution in the total amount of \$877,435.31 to victims as set forth in a separate victim list prepared by the probation office which this Court adopts and which reflects the Court's determination of the amount of restitution due to each victim. The victim list, which shall be forwarded to the fiscal section of the clerk's office, shall remain confidential to protect the privacy interests of the victims.

The Court finds from a consideration of the record that the defendant's economic circumstances allow for restitution payments pursuant to the following schedule: Restitution shall be due during the period of imprisonment, at the rate of not less than \$25 per quarter, and pursuant to the Bureau of Prisons' Inmate Financial Responsibility Program. If any amount of the restitution remains unpaid after release from custody, monthly payments of at least 10% of defendant's gross monthly income, but not less than \$100, whichever is greater, shall be made during the period of supervised release. These payments shall begin 30 days after the commencement of supervision.

The defendant shall be held jointly and severally liable with co-participants, Toros Onik Yerosian, Oxana Loutseiko, Aharon Aron Krkasharyan, and Christian Hernandez (Docket No. CR 15-330-GW) to the extent that said co-participants are determined liable for the same victim losses ordered in this judgment. The victims' recovery is limited to the amount of their loss and the defendant's liability for restitution ceases if and when the victims receive full restitution.

Pursuant to 18 U.S.C. § 3612(f)(3)(A), interest on the restitution ordered is waived because the defendant does not have the ability to pay interest. Payments may be subject to penalties for default and delinquency pursuant to 18 U.S.C. § 3612(g).

Pursuant to Guideline §5E1.2(a), all fines are waived as the Court finds that the defendant has established that she is unable to pay and is not likely to become able to pay any fine.

Pursuant to the Sentencing Reform Act of 1984, it is the judgment of the Court that the defendant, Maria Espinoza, is hereby committed on Count 1 of the First Superseding Indictment to the custody of the Bureau of Prisons for a term of 10 months.

The Court recommends that the Bureau of Prisons conduct a mental health evaluation of the defendant and provide all necessary treatment.

Upon release from imprisonment, the defendant shall be placed on supervised release for a term of three years under the following terms and conditions:

1. The defendant shall comply with the rules and regulations of the United States Probation Office, General Order 05-02, with the exception of Conditions 5, 6, and 14 of that order, and General Order 01-05, including the three special conditions delineated in General Order 01-05.
2. During the period of community supervision, the defendant shall pay the special assessment and restitution in accordance with this judgment's orders pertaining to such payment.
3. The defendant shall not be employed in any position that requires licensing and/or certification by any local, state, or federal agency without the prior written approval of the Probation Officer.
4. The defendant shall cooperate in the collection of a DNA sample from the defendant.
5. The defendant shall apply all monies received from income tax refunds to the outstanding Court-ordered financial obligation. In addition, the defendant shall apply all monies received from lottery winnings, inheritance, judgments and any anticipated or unexpected financial gains to the outstanding Court-ordered financial obligation.
6. The defendant shall participate in mental health treatment, which may include evaluation and counseling, until discharged from the treatment by the treatment provider, with the approval of the Probation Officer.
7. As directed by the Probation Officer, the defendant shall pay all or part of the costs of the Court-ordered treatment to the aftercare contractors during the period of community supervision. The defendant shall provide payment and proof of payment as directed by the Probation Officer. If the defendant has no ability to pay, no payment shall be required.
8. As directed by the probation officer, the defendant shall notify specific persons and organizations of specific risks and shall permit the probation officer to confirm the defendant's compliance with such requirement and to make such notifications.

The drug testing condition mandated by statute is suspended based on the Court's determination that the defendant poses a low risk of future substance abuse.

It is further ordered that the defendant surrender herself to the institution designated by the Bureau of Prisons at or before 12 noon, at a date to be determined. In the absence of such designation, the defendant shall report on or before September 14, 2018, to the United States Marshal located at the Roybal Federal Building, 255 East Temple Street, Los Angeles, California 90012. Bond is exonerated upon surrender.

The Court authorizes the Probation Officer to disclose the Presentence Report, and/or any previous mental health evaluations or reports, to the treatment provider. The treatment provider may provide information (excluding the Presentence report), to State or local social service agencies (such as the State of California, Department of Social Service), for the purpose of the client's rehabilitation.

The Government's request to dismiss the remaining counts of the underlying Indictment and the First Superseding Indictment is granted.

The Court advises defendant of her rights to an appeal. The Court recommends, but does not order, that defendant be housed in the

lowest security ranked facility in Southern California.

In addition to the special conditions of supervision imposed above, it is hereby ordered that the Standard Conditions of Probation and Supervised Release within this judgment be imposed. The Court may change the conditions of supervision, reduce or extend the period of supervision, and at any time during the supervision period or within the maximum period permitted by law, may issue a warrant and revoke supervision for a violation occurring during the supervision period.
